

## GDPR Draft Policy Statement - Personal Data Management and Audit Policy, May 2018

Adapted from policy guidelines published by the Cheshire Association of Local Councils – this revision 2018/06/05//SJP

Adopted by the Council on 4. June 2018 - Review Date 4. June 2019

### Data Management

The GDPR places a much greater emphasis on transparency, openness and fairness than previous legislation required. The Parish Council as Data Controller will ensure the Principles of Data Protection legislation will be followed in the management of personal data and that employees and councillors understand the requirements of the new legislation.

The Clerk (as Data Processor) will follow the underlying principles that personal data:

- Must be processed lawfully, fairly and transparently.
- Is only used for a specific processing purpose that the data subject has been made aware of and no other, without further consent.
- Should be adequate, relevant and limited i.e. only the minimum amount of data should be kept for specific processing.
- Must be accurate and where necessary kept up to date.
- Should not be stored for longer than is necessary, and that storage is safe and secure.
- Should be processed in a manner that ensures appropriate security and protection.

The Clerk will manage subject access requests allowing data subjects to exercise their rights under the GDPR:

- *The right to access personal data we hold on you*
- *The right to correct and update the personal data we hold on you*
- *The right to have your personal data erased*
- *The right to object to processing of your personal data or to restrict it to certain purposes only* ● *The right to data portability*
- *The right to withdraw your consent to the processing at any time for any processing of data to which consent was obtained* ● *The right to lodge a complaint with the Information Commissioner's Office.*

The Clerk will ensure the notification of personal data breaches and undertake data protection impact assessments where required for new projects as directed by the Council as Data Controller. A record log of processing of data will be maintained by the Clerk as Data Processor.
